

## Plot til salg i Frigiliana

€239,000

Do not miss this opportunity to buy a dream plot, it has the right to 1 million liters of water per month and has the possibility of building 2 small houses, one of 40m2 and the other of 30m2. The property is terraced and has about 100 avocado trees of the bacon category that are currently out of production, but could be recovered. The plot has 2...
