Grund til salg i Yecla

€28,000

2.5 hectares of land for sale in Yecla 15-20 minutes' drive from the city centre. Possibility to connect water and electricity. The tap for irrigation water is already there, but currently not connected. You can put a caravan, chalet or container house here or plant olive trees, for example. If you want to be off-grid solar panels with battery is...
