

BOLIG ID: CAP-1718

Landhus til salg i Algaida

€795,000

On a level plot of over 314,000 m² near Pina is this slightly elevated country house of 271 m² with views of the pine forest and the mountains. The house can either be renovated with the existing space and without a pool, or it could be demolished to build a new house of up to 300 m² with a pool on another part of the plot. The land has many fruit...
