

BOLIG ID: JOT-V0189PM

Villa til salg i Palma De Mallorca

€65,000,000

The façade is a dynamic representation of boat sails that float above the ground floor. South facing, with complete privacy, the interior is full of light. The whole form of the building is stretched along the length of the site to create maximum frontage and exploit the wonderful views. The villa has four floors: the ground floor with living areas...
