## Byhus/Rækkehus til salg i Nueva Andalucia

€0

Beautiful corner townhouse in a very popular area of Nueva Andalucia. &#13;

The house has been completely reformed in 2017 and 2018, so it's ready to move in! &#13;

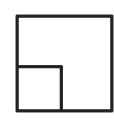

It's been kept in the traditional style, but with a lot of natural light coming in through the big doors and windows, which makes it very welcoming. &#13;
