

## Byhus/Rækkehus til salg i Sedella

€75,000

Casa La Roca ( house of rock) is situated in a quiet street in the pretty white village of Sedella. As the name suggests , this very old house is literally built on rock which you can see clearly at the foot of the property! This spacious village house needs updating but is not a full renovation project as the building is in sound condition . The...
